

Dear WCGL Members~

Months ago when we started planning our schedule for the year, it was with great hope that we could successfully have a September Meeting. Our intention was always to reassess the situation at the first of each month to see if it is appropriate to have the meetings,

(per the CDC and State of Texas Guidelines for COVID-19 social gathering, social distancing and food service for high-risk populations). Unfortunately with the virus continuing relentlessly, we have decided to preemptively cancel the September Meeting for the safety of our members. Ongoing reassessment of these guidelines may cause further changes our schedule. Updates will be regularly communicated.

At this time, a Fall Kickoff special event in October is still planned, with more information on that to come at a later time and if circumstances allow.

We understand that some of you do not feel comfortable attending an indoor meeting and we respect your opinion, but there are many who would like to attend and we want to give them that opportunity. So in November we will try again, with a wonderful Speaker, Addie Broyles, Food Editor with Austin American-Statesman. (Please see attached calendar link.)

We hope you will join us!!!

Nancy Bain
WCGL President
